

Charles Lehnen

Lehnen@usc.edu

1st Year Doctoral Student

Advisor: Dr. Craig Stanford

Integrative & Evolutionary Biology

USC Provost Fellow

B.S. Biology (Minors: Mathematics & Spanish)

University of Minnesota (UMN), Honors: 2012

UMN Masonic Cancer Research Center: 2012-2015

Charles Darwin Foundation & UMN: 2015-2020

Bat Conservation International: 2020-2021

Research Interests:

- Eco-evolutionary dynamics, ecosystem services, and how they relate to conservation principles
- Community ecology topics including community assembly, nutrient flow, soil ecology, and trophic cascades
- Chelonian ecology and their role as ecosystem engineers
